From Ryan and Sarah Rainbolt
-serving as an overseas extension of the ministry of FBC Arkadelphia-
Romans 12:1-2 -- What does it mean to be a living sacrifice? What truly can we give to him that he hasn't already given us and is not already his? The answer is found in verse 2. We hold on to our ways of living and thinking. We hold on to our plans. They were never ours to begin with but we have been deceived in thinking they are. May God give us to grace to discern what is his perfect will and transform us into what he wants for our life. Paul was able to say in Romans 15:16 my offering is my ministry to Gentiles. A surrendered will in Paul's life led him to say, "My ambition is to declare where Christ has not been named." V.23 Paul was able to declare that all the way from Jerusalem to Illyricum that he fulfilled the ministry by the power of the Holy Spirit. V.19 This is our mission and should be our ambition to go until there is no place left to declare his name. May God help us come to a place of greater awareness and faithfulness. Thanks so much for your partnership and sacrifices. May God multiply them for his kingdom and bring us to a place of much greater influence for his kingdom!
